

To whom it may concern;

This comment is to convey to the FCC my concern that allowing new LPFM stations to take priority over current FM stations is unfair to the listening public. I am a consistent listener of national and regional stations that offer a much broader content than my local stations. In particular, please do not make changes that will eliminate stations such as AIR-1, K-LOVE and K-LIFE in the Santa Cruz and San Luis Obispo, California listening areas.

Thank you for your consideration.
